This document is not meant for public circulation and is intended for Masaryk University internal use only. CONDITION

- Masaryk University partners with selected hotels to offer accommodation for domestic and foreign guests of Masaryk University at discounted prices.
- The offer applies to the whole university. Booking of accommodation is made by the relevant university organisational unit. For large events such as conferences (and subject to prior agreement), the exact date and name of the event can be notified to the hotel and participants can then make their own bookings (e.g. using a hotel-generated code as agreed between the university organisational unit and the hotel) at the same discounted rates.
- Requests for group bookings, i.e. groups of more than 5 / 10 persons (depending on the hotel) and reservations of hotel conference centres will be negotiated outside the framework of the partnership agreements and will be handled on a case-by-case basis in cooperation with the External Relations and Marketing Division of the MU Rector's Office.
- The contractual rates apply to all accommodation bookings for guests of Masaryk University, regardless of whether the accommodation is paid by MU or the guest him or herself.
- As any purchase of services (including accommodation) by MU constitutes a public contract, it is necessary to determine its expected value in the case of any major planned event such as a conference (if the event is to be funded directly by MU). The relevant organising team should decide how to handle the organisation of the conference and whether accommodation should be included. If the estimated value of the public contract exceeds CZK 400,000 (excl. VAT), the MU internal guidelines require that the service supplier be selected from among three bids. If the accommodation of the conference guests is to constitute a project expenditure and the conference is tendered as a whole (including accommodation), it will not be possible to use framework partnership contracts to accommodate the guests.
- The contracts with the hotels listed below include no obligation to stay only in these facilities; they only guarantee the option to do so at special contractual rates valid for the whole year. You still can (and should) check the current prices, for example via the booking system at www.booking.com.
- INFORMATION ABOUT THE AGREED PRICES IS CONFIDENTIAL AND WE ASK YOU NOT TO PUBLISH THEM IN PRINTED OR ELECTRONIC MATERIALS, INCLUDING ON A PUBLICLY ACCESSIBLE WEBSITE, WITHOUT THE PRIOR APPROVAL BY THE EXTERNAL RELATIONS AND MARKETING DIVISION OF THE MU RECTOR'S OFFICE.
- If you have any questions or are interested in university-wide negotiation of more favourable accommodation conditions under different accommodation capacities, or if you have any other questions or suggestions, please contact: **Masaryk University Rector's Office, Communication and External Relations Office, External Relations and Marketing Division (Pavla Bulíčková, bulickova@rect.muni.cz).**
